feat(projects): seed REA / rural-electrification project list (June 2026)

Seeds the **DIEYNEM REA project list** (confirmed by DIEYNEM, figures as at 30 April 2026) via an idempotent data migration — same pattern as 0002_seed_projects.

- **9 new projects** — REA Lots 2 / 4 / 5 / 6 (Tanzania), Hamlets Electrification Lots 6 / 11, and HEP-IIB Lots 5 / 9. Completed and ongoing, with progress %.
- **2 refreshed in place** (no duplicates, per your instruction):
- **Msalato Airport** → ongoing **85%**.
- **Uganda** entry → fuller **Lot 13** scope (6 districts, Contract REA-AfDB/WRKS/18-19/00627).

Total projects **16 → 25**; ongoing **2 → 5**.
