What's included

- ✓ **AboutView + /about/ route** — partitions active TeamMembers into BS-ordered groups (leadership / engineering / support) in a single query; exposes years-in-operation.
- ✓ **Template** (public/about.html):
- ✓ Company overview with an "at a glance" facts card (verified: Class One, incorporated 22 Mar 2011, Tanzania & Uganda).
- ✓ **History milestones** timeline (verified events only).
- ✓ **Motto band** rendered from the editable SiteSetting.motto.
- ✓ **Leadership & technical team** grid driven by TeamMember (photo or initial-avatar fallback).
- ✓ **Seed migration 0005** — the three verified directors from the org chart (AR p.3), idempotent + reversible. Client adds photos / edits via the Team dashboard from item 2.
- ✓ **Nav** — "About" added to header, mobile menu, and footer.
